

Year 6 Curriculum Map 2024-25

Subject	Autumn 1 8 Weeks	Autumn 2 7 Weeks	Spring 1 6 weeks	Spring 2 7 weeks	Summer 1 4 weeks	Summer 2 7 weeks
English	<p>Ongoing Core Learning We will be writing a selection of fiction texts such as character and setting descriptions, punctuated dialogue, atmospheric writing, alternate ending and stories. We will also be writing a range of non-fiction texts such as newspaper reports, letters, balanced argument, interviews, book review, persuasive brochure, explanation and instructions.</p> <ul style="list-style-type: none"> Continue to apply their growing knowledge of root words, prefixes and suffixes (morphology and etymology), as listed in English Appendix 1, both to read aloud and to understand the meaning of new words that they meet. Maintain positive attitudes to reading and understanding of what they read by continuing to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction and reference books or textbooks. Consistently reading books that are structured in different ways and reading for a range of purposes and increasing their familiarity with a wide range of books, including myths, legends and traditional stories, modern fiction, fiction from our literary heritage, utilising books from other cultures and traditions. Write legibly, fluently and with increasing speed by: choosing which shape of a letter to use when given choices and deciding whether or not to join specific letters. Continue to evaluate and edit what they have written making changes where necessary. 					
	Text: A Kind of Spark	Text: A Kind of Spark Text: Overheard in a Tower Block	Text: When the Sky Falls	Text: When the Sky Falls	Text: The Goldfish Boy	Text: The Goldfish Boy
Maths	<p>Ongoing Core Learning</p> <ul style="list-style-type: none"> Read, write, order and compare numbers up to 10,000,000 and determine the value of each digit Use negative numbers in context Multiply and divide multi-digit numbers up to 4-digit by a 2-digit number using formal written method Solve problems involving the four operations and have an understanding of the order in which these are completed (BIDMAS) Add, subtract, multiply and divide proper and improper fractions Solve problems involving the calculation and conversion of units of measure Continue to recognise properties of 2D and 3D shapes Describe position and direction using all four quadrants of a grid Interpret and construct pie charts and line graphs and use them to solve problems 					
	Place value Addition Subtraction Multiplication Division Order of operations	Geometry Comparing fractions Adding and subtracting fractions Converting units Multiplying fractions Dividing fractions Problem solving	Ratio Algebra Decimals Fractions, decimals and percentages Geometry	Shape Position and direction Area, perimeter and volume Statistics Fractions	Arithmetic skills Problem solving skills Fractions, decimals and percentages Statistics & Geometry (SATS 12th May)	Maths investigations using the 4 operations Area and perimeter investigations Converting units (mass, money and time) Geometry and patterns (parabolic curves) Enterprise Week

Year 6 Curriculum Map 2024-25

Subject	Autumn 1 8 Weeks	Autumn 2 7 Weeks	Spring 1 6 weeks	Spring 2 7 weeks	Summer 1 4 weeks	Summer 2 7 weeks
Science	Classifying Critters Describe how living things are classified into groups according to common observable characteristics based on similarities and differences.	Staying Alive To identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood.	Let It Shine To recognise that light appears to travel in straight lines	Electrifying To associate the brightness of a lamp to the volume of a buzz with the number and voltage of cells used in the circuit.	We're Evolving To recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago	
PSHE						Puberty: Physical and emotional changes and personal hygiene. Understanding how babies are conceived. Range of relationships.
PE	Dodgeball Tag Rugby	Basketball Gymnastics	Dance Tennis	Cricket Orienteering	Athletics Football	Rounders Golf
Topics	Mayans Key Question: What made the Maya so influential? Enrichment: Maya artefact and archaeologist day.		20th Century Britain Key Question: What was life like during the wars? Enrichment: World War Two Day		The Atlantic Slave Trade Key Question: How do people's attitudes to slavery change over time?	Extreme Earth Key Question: How does extreme Earth effect the way we live?
History		Learn about the achievements of early civilizations through the study of the Mayan civilisation Local history study – Cadbury family and their influence		Know the causes of WW1 and WW2.
